

Confirmation Service Requirements

Saint Matthew's Confirmation Class 2010-2011

Below you will find two different categories of service projects. The parish category has a mandatory requirement of at least 5 hours of service. In addition to the parish hours, we are asking you to assist with at least one community service project with your sponsor. Participating in these 2 different categories of service allows you to experience different types of service in the church today. Under each category there are suggestions of potential ideas. Remember that all service hours are due by March 20th, so we can suggest additional service ideas if necessary. For more ideas read the weekly bulletin! If you have a question s regarding a specific activity, please ask Deanna Lustig for assistance.
