

# Think Orange!!!

## *What's it all about???*

*To serve as a reminder (or an introduction) here is a little bit about **THINKING ORANGE**:*

**Yellow** is the church whose job is to focus the light  on Christ!

**Red** is the Household of Faith which is the place for unconditional love .

**Orange** is what you get when you combine the two! Imagine the impact!!

Now, what is a **Household of Faith**???. Well, it is whatever shape your “home” is now...maybe you are a single parent with children, a wisdom senior, a blended family, empty nesters, etc. Whatever description you fall into, that is your **Household of Faith**!

Saint Matthew Parish holds several “Orange Sundays” throughout the year to help remind us to “Think Orange”. During these “Orange Sundays” we will offer items from “Our Home Depot” to help you continue to build your Household of Faith!
