Her life revolves around her family. Husband Steve and three daughters, Andrea (age 16), Marianne (14), and Sophie (9) all of whom have attended or are attending Saint Matthew School. Her older daughters attend Bishop Chatard High School.

## Pre-K Curriculum

The curriculum on a typical day in the classroom will include cognitive skills, mathematics, science, fine- and gross-motor skills, creative arts and self-help skills as well as basic age-appropriate Christian Catholic education. As you walk into the room, you will see Learning Centers and active children. The classroom will aspire to meet the needs of the "whole" child.
