

INDIANA CHOICE SCHOLARSHIP PROGRAM

Frequently Asked Questions—Parents

1) What are the eligibility requirements for a Choice Scholarship?

To be eligible, a student must meet the following requirements:

- Have legal settlement in Indiana;
- Be accepted for enrollment into a participating school **that is located in Indiana**;
- Be between the ages of 5 and 22 no later than August 1 of the school year;
- Live in a household at or below the household income limits;
- **Either:** (A) Have been enrolled in an Indiana public school (grade 1 through 12, charters included) that did not charge the individual transfer tuition for at least two (2) semesters **immediately preceding** the application for a Choice Scholarship; **or** (B) Have received an SGO scholarship from one of the following in a previous school year:
 - Educational Choice Charitable Trust
 - School Scholarship Granting Organization of Northeast Indiana

In other words, a student that did not receive an SGO scholarship in kindergarten is not eligible for a Choice Scholarship until **second grade** (and must meet the two semesters requirement). **Note also** that the SGO scholarship requires that the student have been enrolled in public school in the previous year (see question #18 for further detail).
