

What is P.E.A.C.E.?

**Parents
Encouraging
A
Christian
Environment**

The P.E.A.C.E. committee was established several years ago as a committee of the PFA. It has been a "quiet" committee as of late! We are ready to rejuvenate!!!

What P.E.A.C.E. Does...

***Parents in prayer:** An opportunity for all Saint Matthew School Families to share prayer requests and pray for the students and staff and any special needs that lie on the hearts of our faith community. This will be available through email and also a gathering of praying parents

***Service Projects:** There will be service project opportunities available for all school families outside of school hours

***Share-a-meal:** Meals will be provided by SMS families for other SMS families and staff in need due to illness, new baby, death, etc.

***Advent and Lenten Activities:** Materials or activities will be provided for all K-5th grade families for our special Lent and Advent seasons

***Middle School Inspirational Magnets:** Quotes/Scriptures will be laminated and magnetized and placed on the lockers of all middle school students several times per year

***Catholic Schools Week involvement:** P.E.A.C.E. will take an active role in Catholic Schools Week

More P.E.A.C.E. info coming soon!!
