

Celebrations

Week of 8/30/2010

2K News

Religion: We are baptized into the new life of Christ, the love of God, and the life of the Church. This week we will explore the Sacrament of Baptism.

Science: The Earth is always changing. The students will learn how erosion and weathering change Earth.

Math: The children will explore temperature, base-10 structures, and dominoes. Home Links (Math homework) will come home this week.

Social Studies: We will be reading about Where People Live. The students will read letters from children in Arizona, Georgia, and Hawaii. We will compare and contrast their environments and communities.

Spelling: Our first test will be this Friday. Please review spelling words daily.

Reading: “Because of You” is a fictional story about the ways we can make the world a kinder place. Vocabulary words include **feelings, share, precious, care, and kind**. There will be a comprehension and vocabulary assessment on Friday.

English: The students will review common and proper nouns.

Handwriting: We will continue to review manuscript. This week we will practice upper and lower case -a, -d, -c, and -e.
