

Celebrations
Week of 1/30/2012
2K News

Religion – Recalling the Last Supper we remember in the Eucharist the Life, Death, and Resurrection of Jesus and nourish our union with him. This week we will learn about the Liturgy of the Eucharist. The prayer of the month is The Lords Prayer.

Math – The children will construct pyramids and explore the relationship among the number of faces, edges, and vertices in pyramids. The students will also find lines of symmetry in objects and complete drawings to create symmetrical shapes.

Social Studies – We will use a map key, key symbols, and cardinal directions to read simple maps. We will also compare urban, rural, and suburban areas.

Science – There will be a test over chapter 2 All About Animals on Thursday. A study guide packet will come home today. It is due on Thursday.

Reading/Spelling (Mrs. Desalvo) – This week in the Learning Pad we will continue to emphasize PACE and EXPRESSION while reading. We will also continue the Writing Process. The students who finish their publications are really enjoying sharing them with the class. Please study spelling at home and try to read nightly. The spelling test will be on Friday.

SNACK WEEK OF 2/6: MAGGIE AHLERS
