

**Mrs. Moss' Newsletter
(My last one.....sigh...!)
May 25, 2010**

To all of my parents!

I want to thank all of you for your support of me and my program throughout the year. You have shown understanding, cooperation, concern, and caring.

Although I am leaving St. Matthew I am wanting to stay in the realm of education in some capacity. I am hoping to pursue a different educational path and I am so grateful that you and the students made my last year of classroom teaching so very enjoyable and challenging.

My new life in Lafayette Indiana awaits me (yes, I will be attending some Purdue sporting events!!)

I will always keep St. Matthew School and church close to my heart.

Your children have grown and learned so much this year. I am always amazed at how far they come! I feel that each one has progressed and achieved in so many capacities.

I am confident that they will be successful in middle school!

This year I have worked diligently to instill independence, logical thinking, cooperation and organization tools so that the start to middle school will be a smooth and positive transition.

I wish each student every blessing and success in life. I will be giving each of my students a special note on the last day of school!

**Also, we do have 3 birthdays to celebrate on Friday!
They are: Jackson Janowicz (6/9), Elenil Deypalubos (6/13)
and Gabrielle Diaz (7/10).
These students may bring in a birthday treat on Friday!
I will also bring a surprise!**

Have a wonderful, relaxing, Christ-centered summer!

Encourage your child to read.....AND....keep up on their multiplication facts....continue to DRILL...DRILL...DRILL!!

With much appreciation!

Robin Moss
