

Help For Haiti

We have an amazing opportunity to help furnish the new rectory in Bois De Lance, Haiti. A member of St. Matthew's Parish has generously donated a shipping container that will be sent to Haiti. We are filling the container with furnishing, other necessities for the new rectory, and some other special requested items. It is much more expensive to purchase items in Haiti than here, so this is our chance to make our donations go as far as possible!

**Donations can be ordered through
Bed, Bath, & Beyond, dropped off at the
parish office, or brought to any mass
until October 27th**

A list of specific items is available at Bed, Bath, & Beyond Registry #545049095. Purchases can be shipped directly to St. Matthews. New or gently used donations are welcome. Gift Cards to Lowes (you can purchase through SCRIP!), Bed, Bath, & Beyond, or cash donations are all also appreciated.
