## A look at 3<sup>rd</sup> grade:

**Reading:** Next week we will read the story The Sun, the Wind, and the Rain. The quiz over the story and vocabulary will be next **Wednesday, January 12.**

**Math:** We are continuing to learn different strategies for multiplying and dividing! This week we went over multiplying and dividing by 0 and 1. **Our test over this chapter will be next Tuesday Jan. 11<sup>th</sup>.**

**Multiplication time tests will begin the week of January 17! More information to come!**

**Science:** We began our next unit on Earth Science! Our first chapter we will look at how the Sun, Moon, and Earth are all connected!

**Social Studies:** We have begun our new unit on Government and Civics. There will be an open book quiz over the first section on Government next **Friday, January 14.** Students should bring their books home next Wednesday to review **pages 148-153.**

**Religion:** This week we talked about the Epiphany! Father Bill came around to classrooms and blessed them with a special prayer and Holy Water!

**Reminder!!! Please make sure your child has at least one mask with them each day!! A back up in their backpack would be great! Also, please make sure your child has a water bottle with them each day! We are not drinking from the fountains, but children do have access to refilling bottles! Thank you for your help in this matter! Our resources (masks and paper cups) are limited and running out!**
