

PRE-K NEWS

Mrs. Cuniffe's Classroom News!

September 5th-8th

What's Happening

This week our focus was letter A, red, and apples. We wrote the letter A, learned its sound, and made a big list of things that start with the letter A! Red was fun to explore. We sang about red and painted with red.

We sorted apples that we picked from the "apple tree". Tasted apples and made some homemade applesauce.

We also had music class for the first time this week. It was so much fun. Ask your child about Jenny Jankins.

Next week the letter B, color blue.

Highlights for the week

- Tuesday-Read- Where is the Apple Pie-, made "apple pie", painted with red, rolled red playdough to make an A, and scooped rice.
- Wednesday- Read- 10 apples up on top, picked and sorted apples, did sticker dot A's, went to music, tasted apples.
- Thursday- Read Abiyoyo, tore paper and made our own Abiyoyo, built with magna tiles, drove race cars.
- Friday- Read- Theres and Alligator under my bed, made an alligator for the letter A, did our let's find out about apples, colored apples, cut apples for applesauce, shared our letter A items.

Star of the Week

The star of the week was so much fun! Nathan did a great job. He filled the jar with something really cool. Wonder whose next week's star will be???

Reminders

- Friday kids can bring something that starts with the letter B for show and tell.
- Friday Folders- These are white folders that will go home every Friday with this newsletter and any work that had been done and is ready to go home. PLEASE return these on Monday so they can be filled for the next week.
