COVID Precautions and Protocols During Retreat

Fatima has made several changes to keep all guests and staff safe. They have been fortunate to still have several groups over this difficult time and learn what works best for guests. So far, the retreats that have been held there have been safe and successful.

Some things they are doing:

- * Stepped up cleaning routine
- * Masks required in all common areas unless actively eating or drinking
- * Meals no longer served buffet style; one server serves out of the kitchen window
- * Currently only allowing 4 people per table in the Dining Room at meal times
- * Tables in the conference room are appropriately distanced and sanitized
- * Hand sanitizer available in all conference rooms
- * Everyone's temperature taken as they enter the building on first day of their retreat
- * Everyone who enters the building must sign a health assessment/waiver stating they have not tested positive, been in contact with someone who has tested positive, or shown any symptoms of COVID-19 in the last 14 days. (These waivers are also used for contact tracing)
- * Limited to 50 total people from a group in the house at a time (**Women's Retreat limited to 30 plus planning committee**)
- * Only one person allowed to stay in a bedroom (unless they are from the same household)
- * Every 2 bedrooms share a bathroom....trying to limit that as much as possible (**No one for Women's Retreat will share a bathroom**)
- * Guests only asked to strip the bed and throw sheets down laundry chute on the last day (no remaking of the beds by guests); Housekeeper only one making beds and cleaning in between groups

The tables in the meeting space will be adequately separated and allow only four participants per table to keep safe social distancing. The events being held in the Chapel will also accommodate social distancing. Masks will be required at all times unless actively eating or in your overnight room by yourself. We certainly understand if you do not feel comfortable joining us for an in-person retreat. Please know we are taking all necessary precautions to keep participants safe while coming together to feed our spiritual souls. We encourage you to reach out to a committee member (see registration form) if you have any questions regarding the Retreat.
