

St. Matthew School Annual Trivia Night

St. Matthew Annual Trivia Night Fundraiser is Saturday, February 24th, 2024.

The goal of the Trivia Night is to raise funds for financial support in building a special space for our students at St. Matthew School. Your support will go directly towards a high-quality, innovative space and playground equipment. These dollars are budgeted for a wide range of renovations that support play and learning for our students. We are reaching out to you with sponsorship opportunities for this exciting community event.

We sincerely hope you will consider helping make our Trivia Night a success by sponsoring one of the following levels or making a tax-deductible donation. We appreciate you helping make a real difference in the lives of our students.
